ABOUT AISHWARYA GROUP OF COLLEGES

Aishwarya Group of Colleges, established in 1996 in Southern Rajasthan (Udaipur), is a pioneering institution committed to holistic education. Over its remarkable 28-year journey, the organisation has set new benchmarks in education through perseverance, dedication and devotion. The faculty employs modern pedagogical techniques to deliver quality education in Science, IT, Commerce, Management, Education, Social Sciences and Humanities at both the undergraduate and postgraduate levels. The group also place a strong emphasis on extracurricular activities, fostering all-around development in students.

Aishwarya PG College is ISO 9001:2000 certified and has successfully completed two consecutive cycles of NAAC accreditation. With a focus on both academic and personal growth, the college continually strives to nurture future leaders and innovators.

ABOUT THE CONFERENCE

The National Conference on "Empowering Innovation and Sustainability: A Multidisciplinary Approach" is a key event designed to unite researchers, academicians, industry experts, and students in advancing innovation and sustainable practices across various fields.

In response to urgent environmental concerns, economic disparities and social challenges, the conference aims to cultivate a collaborative space where multiple disciplines can contribute to sustainable solutions. This event offers a unique opportunity to learn from leading professionals on shaping the future through innovation and sustainability.

KEY OBJECTIVES

- To foster the exchange of ideas between academia, industry and policymakers.
- Encourage interdisciplinary cross- thinking and sharing diversified knowledge and experiences.
- To discuss and explore the latest advancements in sustainability and innovation.

- To identify challenges and opportunities in implementing sustainable practices.
- Facilitate career development of the participants.

AWARDS & BENEFIT OF THE CONFERENCE

- All the participants will receive a certificate of participation (without paper presentation).
- Opportunities to network and build connections with professionals and experts.
- All winners will receive appreciation certificate.

TRACKS AND SUB-TRACKS
