Library Resources

The Institution's semi-digitized library provides open access and user-friendly atmosphere with sufficient reading space. The well stocked Library of the institution contains books, journals, encyclopaedia and electronic resource materials. The institution library has rich resources of lectures & CDs downloaded from various open sources site such as edx, UGC Pathshala. It has approximately 4815 titles, The institutions have subscribed to approx. 40 journals/periodicals and magazines besides the DELNET membership enabling resources sharing with other Libraries. Seating capacity of the reading room in the library is 100.

A 'Book Bank' facility for the students is created in the library. It helps to collect, store and disseminate information by computerized services to the students and teachers. The Smart Campus software supports searching and reserving of the titles available. OPAC, Reprography, printing, downloading, internet, Inflibnet, Smart campus and ERP are some of the specialized services provided by the library.
